The concert is a fundraiser for the band's Learner group. A new group will be starting in Term 2. The lessons are group lessons and take place on Thursdays between 5 and 6 (unless otherwise decided) at the band rooms at Chittick Park in Seymour. As far as possible instruments are provided. Instruments available to learn are – Flute, Saxophone, Clarinet, Trumpet, Trombone, Euphonium, Tuba, French Horn. We are particularly needing more adult players but anyone from the age of 10 can join the classes run by Sandy Sexton who has tutored our learner groups for many years. No prior musical experience is necessary.

Call for trumpet players – The band is in need of more trumpet players. We are looking for experienced trumpet players, even if you have not played for a while.
