

SEYMOUR RAILWAY HERITAGE CENTRE

All board to the Echuca Steam Rally or Yarrawonga

On Saturday, June 8th, 2019, Seymour Railway Heritage Centre has two different, (yet equally exciting), events happening. You can choose to go on a special locomotive-hauled tour to the beautiful border town of Echuca OR ride onboard a NSW railcar to Yarrawonga.

The heritage train to Echuca will be hauled by vintage blue and gold locomotives, and passengers will have the choice of travelling in comfortable 110-year-old wooden bodied carriages or, for a little extra cost, travel in heated former Spirit of Progress steel compartment carriages or in style in the Wooden First-class carriage.

Travel to Yarrawonga from Seymour on NSW railcar 621/721. Class leader set entered operational service on 4 September 1961 and became affectionately known as the Red Rattler. If you choose to travel to Echuca, you can opt to simply enjoy the township, shops and beautiful Murray at your leisure or select one of the following tour options (at an extra cost).

Option 1 - STEAM RALLY FESTIVAL - Echuca's Steam Rally is a major community event that was first held in 1963 and is one of the region's longest running events. Attracting visitors from all over the country, this event showcases more than 700 exhibits of working yesteryear. For your viewing pleasure there will be steam engines, (valued at well over \$500,000 each), vintage cars, working horses and more! There is much to see and do for all members of the family, young and old. A free shuttle bus is available from the station to the festival.

Option 2 - PORT, LUNCH & PADDLESTEAMER – Enjoy a pub lunch prior to your 1-hour cruise on Paddle Steamer Adelaide, (Built in 1866), or Alexander Arbuthnot, (Built in 1923). This fantastic package includes bus transfers, afternoon tea on your paddle steamer and entry to the Discovery Centre.

If you choose to travel to Yarrawonga on the railcar, a free shuttle bus will take you to the waterfront where a number of cruise boats will be available, or you can walk around the main Yarrawonga centre.

For details and bookings visit www.srhc.org.au or phone 0477 707 411.
