

A POSSIBLE RAIL TRAIL FROM WALLAN TO HEATHCOTE?

We want to hear your thoughts.

Mitchell Shire Council, City of Greater Bendigo and the Victorian State Government are working in partnership to assess the feasibility of a new 65km railtrail from Wallan to Heathcote for recreational walkers, cyclists and possibly horse riders.

The feasibility study will assess the viability of creating a trail through Heathcote, Tooborac, Pyalong, Kilmore, Wandong, Heathcote Junction and Wallan.

What benefits might a rail trail bring for you? Would you, or people you know, use a rail trail? Do you have any concerns about a possible rail trail?

NEW LISTENING POSTS ADDED

Thank you to everyone Who has provided input through our listening posts at Pyalong, Kilmore and Heathcote. Based on feedback, we've added two more sessions and we've extended the date for online input to Monday 10 April. You can provide feedback at any of them on any location or on the trails as a whole.

Upcoming listening posts:

- > Wallan Old Time Market – 9am-12noon, Saturday 11 March
- > **Wandong and Heathcote Junction, Community Centre, LB Davern Reserve
6.30pm- 7.30pm, Tuesday 21 March**
- > Tooborac Mechanics Institute Hall – 6pm-7pm, Friday 24 March

OTHER WAYS TO HAVE YOUR SAY

If you can't make it to a listening post, there are many other ways you can have your say.

- > Landholders can arrange a one-on-one session with our consultants
- > Take our online survey at www.engagingmitchellshire.com
- > Contact our Economic Development Team on (03) 5734 6200 or ecodev@mitchellshire.vic.gov.au
