

### What's happening at the Reserve?

As 2017 draws to a close, the Reserve has continued to grow and develop and has become a great asset for our community to enjoy and a place to relax.

Year 2018 will see continued developments that will complement our sport groups and community. We are very lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities.

Our summer sports are winding down for Christmas and New year, a well-deserved break with memberships on the increase, I am sure it's going to be a busy 2018, which is a positive for our community.

Our summer sports, would love to see your support; Tennis both junior Saturday mornings and adults in the afternoons, Tuesday nights and we have cricket happening on the Oval on the Saturday Afternoons - C grade from the Kilmore Cricket Club. Please support these groups as they appreciate the community spirit.

A big thank you goes to the Bendigo Bank for the continued support to our user groups and to the Kilmore Mens Shed for the building of two new much needed picnic tables for the Reserve.

Very much appreciated.

The Month of December is leading us into summers hot weather and with our summer weather comes our summer storms so please be aware when walking along the G'Day trail. Our creek through the Reserve can flood and our friendly local snakes are about, so please be vigilant when walking through the Reserve. Our summer sports are under way. As our weather starts warming up more of our locals will head down to the Reserve, so please drive carefully down in to the carparks as lots of kids will be about. To all our locals who walk their dogs through the reserve, which is great to see, to be mindful of other community users and ,when your dog does it business to please pick up and place in bins provided around the reserve.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed **keep clear**.

Our oval is going through its annual maintenance and upkeep in preparation for summer activities. But please be aware the oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

Kilmore Cricket Club's C Grade continues to use our facilities to play their competition. This has not happen since season 1987/88 when Wandong Cricket club C grade

played. Could this be a return to Cricket at Wandong, It's up to you Wandong community if this is to be a reality.

**The Victorian Code of Conduct for Community Sport** outlines behaviours that are expected of every person involved in community sport and active recreation, as well as identifying the types of behaviours that will not be tolerated.

**The Code:**

Every person: spectator, player, club member, official, participant, administrator, coach, parent or member of the community involved with the sport, should work to ensure:

- inclusion of every person regardless of their age, gender or sexual orientation
- inclusion of every person regardless of their race, culture or religion
- opportunities for people of all abilities to participate in the sport and develop to their full potential
- respect is shown towards others, the club and the broader community
- a safe and inclusive environment for all
- elimination of violent and abusive behaviour, protection from sexual harassment or intimidation.

This Code applies to community sport, training and club sanctioned activities.
