

Hi from the WHJSC Committee

What's happening at the Reserve?

Unfortunately due to the Covid-19-we now have Restrictions for the second time at the Reserve and sadly with this shutdown, we now have clubs cancelling for season 2020. As I write this article, 31 local Governments have gone back into lockdown and this includes the Mitchel Shire making now 32, these hot spots are required to return to stage 3-stay at home restrictions until July 29th.

To our community there are four reasons to follow to enter those zones, food and supply, care and caregiving, exercise and study or work. Our community needs to do the right thing in staying safe and adhere to the advised actions to reduce the risk of COVID-19 and if you are unwell, get tested, stay at home, do not go to public places, do not attend work or school, do not visit age or child care centres All bookings at the Community centre, Sports pavilion are cancelled until further notice. For Oval and Stadium information contact council, limited use restrictions apply.

Once restrictions have lifted the community will be notified regarding the restarting of Sporting Activities, at this stage not until August.
