

Hi from the WHJSC Committee,

What's happening at the Reserve?

The L.B.Davern Reserve committee is proud to announce that after a lot of work we have been successful in receiving a state government grant of \$250,000 for the redevelopment of the Tennis /Netball court courts and \$32,000 from the Mitchell shire towards the design component of the courts. This redevelopment will include the total replacement of the court with lights. The construction works have started and if all is in track will finish late March 2020.

Public Toilet Project:

The Reserve committee is working on providing a community public toilet for the community over at the horse ménage area of the Reserve to service the horse riding club and dog club and other user groups and the community, just waiting on approval and permits from Council. **We may need community help to complete the project.**

To all our locals who walk their dogs through the reserve, which is great to see, be mindful of other community users and when your dog does its business please pick up and place in bins provided around the reserve. When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed keep clear. Also please be aware due to construction, there is limited parking in the bottom carpark at the Sports Pavilion. It would be advisable to park over at Stadium car park.

Our Oval continues to improve and but please be aware the Oval is not a Golf course and any damage that occurs affects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

Our User Groups are busy into their programs: Summer Season groups:

Mitchell Agility Dog Club. Junior Tennis /Saturday Afternoon Tennis Night Tennis Cricket Standardbred Riding Club Kilmore and District Adult Rider's Club
