

L.B. DAVERN RESERVE COMMITTEE OF MANAGEMENT

Hi from the WHJSC Committee

What's happening at the Reserve?

The Month of November leads us into warmer spring weather. At present we have had a cool and showery start to spring, and it will be good to see some good warm spring days. Our warmer spring weather will lead to spring storms that may lead to heavy rains which will leave our G Day trails wet and muddy. So please be aware when walking along the G Day trail or around the Reserve. Our creek through the Reserve can flood and tree branches from some of our trees have come down in the past, so please be vigilant when walking through the Reserve.

Warning! Due to the weather warming up, we have had sightings of snakes though out the Reserve so please be aware.

As I see more and more of our community down at the reserve either walking through or doing their fitness programs, down at the Reserve, please drive carefully down in to the carparks as lots of kids will be about.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed keep clear.

To all our locals who walk their dogs through the reserve, which is great to see, to be mindful of other community users and when your dog does it business to please pick up and place in bins provided around the reserve.

Our Oval is going through its annual maintenance and up keep in preparation for summer activities. But please be aware the Oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

Our summer sports have started for the season, Tennis both junior Saturday mornings and adults in the afternoons, Tuesday nights and we have cricket happening on the Oval on the Saturday mornings-C grade from the Kilmore Cricket Club.

Please support, these groups as they will appreciate the community spirit.
