

L.B. DAVERN RESERVE COMMITTEE OF MANAGEMENT

Hi from the WHJSC Committee

What's happening at the Reserve?

The Month of September leads us into spring, and with winter being cold, frosty and wet it will be good to see some good warm spring days. So please be aware when walking along the G Day trails or around the Reserve. Our creek through the Reserve can flood and our tracks can become wet and muddy, so please be vigilant when walking through the Reserve.

Our winter sports are winding down for season 2016, Netball, Junior Football and Junior and adult Tennis, and will be preparing for their Presentation days and AGM's, so please show support to our community sport, I am sure they will appreciate your support.

As I see more and more of our community down at the reserve either walking through or doing their fitness programs, down at the Reserve, please drive carefully down in to the carpark as lots of kids will be about.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed keep clear.

To all our locals who walk their dogs through the reserve, which is great to see, to be mindful of other community users and when your dog does it business to please pick up and place in bins provided around the reserve.

Our Oval has held up well due to the wet conditions and summer preparation works will commence soon to get ready for the summer season of cricket.

But please be aware the Oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

School Holidays will be commencing shortly, a deserved break for students and teachers, but it is unfortunate it is a time when we get vandalism at the Reserve. Can I please stress to our community if you see anything suspicious or any acts of Vandalism, please contact the Police immediately...
