

Hi from the WHJSC Committee,

What's happening at the Reserve?

September spring at last and warm weather is on its way, with the weather changing means snakes will be on the move, unpredictable spring storms and to our community please take care when walking through the Reserves part of the G-Day Trails.

When driving through the Reserve please observe the road speed signs of 10 KM's and beware of children.

To our community, our Reserve continues to develop into becoming a focal point for our community. Our Sports Clubs are used as a central point to our community. Not only can they be a site of actual sporting activity, which itself brings the community together, our location is seen as a central point of formal and informal community gatherings.

It's your Reserve and it's our community, so come down and appreciate what we have to offer our community of Wandong/Heathcote Junction

Positive feedback on our Reserve:

- A great place for a family picnic and activities
- Attended a 21st here. Decent sized venue, location is good as it is quiet and you won't disturb the neighbours. Set up allows for you to stop people at the gate if you are having security at a party (it is also used as a kindergarten so there is fencing out the front). There's also a kitchen set up available if you need to cater for a sporting or other event. The reserve also has tennis courts, club rooms and a football field.
- Lots of room, clean. Great outlook. Safe playground for the kids
- Best ground I've been too.

Thank you for those comments.

School Holidays will be commencing shortly, a deserved break for students and teachers, but it is unfortunate it is a time when we get vandalism at the Reserve. Of which at present we have been targeted with graffiti around the Reserve. These people who do this have no consideration of community facilities and to remove is a cost to the community. Can I please stress to our community if you see anything suspicious or any acts of Vandalism, please contact the Police immediately...

Defibrillators:

The L.B.Davern Reserve now has 2 sets of Defibrillators, one in the Sports Pavilion and the Community centre which have been supplied by the Committee of Management.

Please follow the links below for usage and general instruction information on how to use supplied by St Johns.

Redevelopment of Netball/Tennis courts (Top Courts) Update:

Grant was successful with a grant of \$250,000 (State Govt) plus council contribution, in addition to the **\$32,000** for the design component for the courts. Design Consultants have finished the planning and will consult with Clubs and Reserve committee of which that process has started. Project is to start in September/October this stage no further information has been received.

Public Toilet Project:

The Reserve committee is working on providing a community public toilet for the community over at the horse ménage area of the Reserve to service the 2x horse riding club and dog club and other use groups and the community, just waiting on approval and permits from Council. We may need community help to complete the project.

Middle Courts: The repair works proceeding to repair the cracks in the middle multipurpose courts have been done and all Tennis Schedules have resumed. But unfortunately the cracks have returned, very disappointing.

Our Winter User Groups are at the end of their seasons programs and heading into the business end Presentations. The summer user groups are in planning mode and ready to commence their seasons.

Mitchell Agility Dog Club. Junior Tennis /Saturday Afternoon Tennis Night Tennis Standardbred Riding Club Kilmore and District Adult Rider's Club Cricket School Sports

Our Community building is also a great asset to hold Kids parties, family type events and private functions of all sorts, please consider when planning a function. You can contact our booking officer on Robyn Mumberson on 0419 011064. Get in quick as bookings are coming in fast

For all L.B.Davern Reserve Bookings to either:

-Oval Bookings, Stadium bookings and enquiries - Mitchell Shire Council ph. 5734 6200.

-Community Centre and Sports Pavilion contact: Robyn Mumberson
Booking Officer for the WHJSCC on 0419 011064

The L.B.Davern Reserve now has a Webb site for our community, please check it out.
