

Hi from the WHJSC Committee,
What's happening at the Reserve?

The Month of August leads us to the last month of winter and boy it continues to be cold with severe frosts and below 10 temperature's, with below monthly rains. For those of you who ventured outside in the early mornings down to the Reserve would have found the oval of green a colour of white crunchy frost .At present we continue to have dry months of under average rain ,but our wintery weather can make our G Day trails wet and muddy, so please be aware when walking along the G Day trail or around the Reserve, our creek through the Reserve can flood at any time.

Our winter sports are all heading towards finals and we wish you all a successful campaign. To all supporters of Netball, Junior Football and Junior and adult Tennis, do pop down to the reserve and show support to our community sport, I am sure they will appreciate it.

Please be aware when driving down to the carparks of the reserve please drive with caution.

To all our locals who walk their dogs through the reserve, which is great to see, be mindful of other community users and ,when your dog does it business, please pick up and place in bins provided around the reserve.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed keep clear.

Our Oval continues to improve and annual maintenance schedule's continues from council. But please be aware the Oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

The Council has been busy in planting more trees down at the Reserve. We have ornamental pear trees on the edge of the oval, which completes and compliments the existing mature pears. Pin Oak trees have been planted around the reserve and along the boundary of the reserve along Dry Creek Cres down to Affleck Street, will look great in a few years once these trees mature.

The Reserve committee would like to thank in appreciation the Men's Shed Kilmore in producing two picnic tables, one will be placed over at the horse manège area and the other up at the community centre.

Our User Groups are busy into their programs: Winter Season groups:

The Wandong Playgroup is under way with the kids keeping our playgroup parents on their toes and the community centre a hype of activity.
