

Hi from the WHJSC Committee,

### **What's happening at the Reserve?**

Welcome to Year 2019, of which you will see continued developments that will complement our sport groups and community. We are very lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities.

Our summer sports are back for 2019 after, a well-deserved break with memberships on the increase, I am sure it's going to be a busy 2019, which is a positive for our community.

We welcome the Kilmore Cricket Club C Grade once again, who have now made our cricket pitch their home. I hope our community can support, pop down to the reserve on a Saturday afternoon-1.00 pm onwards.

The Month of February has at this point in time been hot and dry, please be vigilant when down at the Reserve with unpredictable summer Storms and the Total fire bans being declared, so please be aware when walking along the G, Day trail our creek through the Reserve can flood and our friendly local snakes are about, so again please be vigilant when walking through the. More of our locals will head down to the Reserve, so please drive carefully down in to the carparks as lots of kids will be about. Saturday 9th February will be 10 years since we as a community were effected by Black Saturday 2009. L.B.davern reserve was severely impacted by the fires, with the loss of the tennis Club rooms and the damaged that occurred over the oval and our bush surrounds as a whole.

Our junior sport Community played a vital role to our young of our community and their families, it was a place to grieve, share experiences and give support were needed, but importantly it was to get our children back into what they love to do, play and participate in their chosen sport.

Our Wandong Memorial Park is having a commemoration and moving on event on Saturday 9th February between 10am and 2.00pm, it would be great to see the support.

To all our locals who walk their dogs through the reserve, which is great to see, to be mindful of other community users and ,when your dog does it business to please pick up and place in bins provided around the reserve.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed **keep clear**.

Our Oval continues to improve and annual maintenance schedule's from council continues for preparation for summer activities. But please be aware the Oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system through the oval and to the synthetic cricket pitch.

**Our User Groups are busy into their programs:**

**Summer Season groups:**

Mitchell Agility Dog Club.  
Junior Tennis /Saturday Afternoon Tennis  
Night Tennis  
Cricket  
Standardbred Riding Club  
Kilmore and District Adult Rider's Club
