

Hi from the WHJSC Committee,

What's happening at the Reserve?

The month of November, leads us into the last month of spring and heading into summer, So please be aware when walking along the G Day trails or around the Reserve our creek through the Reserve can flood and our tracks can become wet and muddy with our unseasonal spring storms, so please be vigilant when walking through the Reserve.

There have been sightings of snakes around the reserve. Please be vigilant when at the reserve and please be aware of your children's movements. If you have sighted any snakes please let council know.

Cricket is at the Reserve again for season 2018/19, Kilmore Cricket clubs will be making our reserve their home base, please show support as this will benefit our community as in one day we have our own Club. Recently we had a full 2 days of cricket from the Camberwell Districts a premier league team using our oval and Wallan Cricket Club.

As I see more and more of our community down at the reserve either walking through or doing their fitness programs, please drive carefully down in to the carparks as lots of kids will be about.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed **keep clear**.

To all our locals who walk their dogs through the reserve, which is great to see, be mindful of other community users and when your dog does it business please pick it up and place in bins provided around the reserve.

The L.B.Davern Reserve committee is proud to announce that after a lot of work we have been successful in receiving a state government grant of \$250,000 ,with the Mitchell shire towards the redevelopment of the top court; Netball/Tennis. This redevelopment will include the total replacement of the court with lights.

Our Water refill station in front of the Sports pavilion is all complete and looks great, thank you to the G.V. Water for the Grant, but has been a cost to the Reserve for the installation.

L.B.Davern has also been successful in the Councils budget 2018/19 for the Stadium floor conversion project. Tenders have gone out and this project will take a few months to complete and will be an inconvenience for user groups. The Stadiums current flooring of synthetic surface will be changed over to polished floor boards. This will

complement the needs of the demand for basketball in the district to compete at a high level. This might lead to Wandong having its own basketball teams!!

The Reserve has also gained new trees around the Reserve which in years to come will make our Reserve a place for our community to relax, play sport and be a focal point for families to enjoy the amenities. The Trees that have been planted range from Pin Oaks, Oriental Pears and Gleditsia's

**To our community, we need your help;
We need to catch any persons
vandalizing our Reserve!!!!**

If Residents notice anything out of the ordinary please contact the police on **000** straight away.

It is in our community interest that we all keep our Reserve safe for all to use!!
