

Hi from the WHJSC Committee,

What's happening at the Reserve?

The Month of October, hopefully will be warmer as we enter 2nd month of spring and no more cold, frosty and grey old days. It will be good to see some good warm spring days. So please be aware when walking along the G Day trails or around the Reserve our creek through the Reserve can flood and our tracks can become wet and muddy, so please be vigilant when walking through the Reserve.

Our winter sports have finished for 2018, Netball, Junior Football and Junior and adult Tennis will have had their Presentations and AGM's, and with that comes new people entering club committees with new ideas to prepare for their 2018 season.

The summer sports are now finalizing their fixtures for their upcoming seasons, tennis both juniors and seniors. Also Kilmore Cricket clubs C grd will be making our reserve their home base, please show support as this will benefit our community in one day may be having our own Club. Recently we had a full two days of cricket from the Camberwell Districts a premier league team using our oval and Wallan Cricket Club. As I see more and more of our community down at the reserve either walking through or doing their fitness programs, please drive carefully down in to the carpark as lots of kids will be about.

When parking down in the Stadium carpark, please don't park in front of the storage areas of the User groups, these areas are signed **keep clear**.

To all our locals who walk their dogs through the reserve, which is great to see, be mindful of other community users and when your dog does it business please pick it up and place in bins provided around the reserve.

Our Oval has held up well due to the wet conditions and summer preparation works have commenced for the summer season of cricket.

But please be aware the Oval is not a Golf course and any damage that occurs effects the groups that use the oval and damage could occur to the irrigation system in the oval and to the synthetic cricket pitch.

School Holidays have been a deserved break for students and teachers, but it is unfortunate it is a time when we get vandalism at the Reserve. Can I please stress to our community if you see anything suspicious or any acts of Vandalism, please contact the Police immediately...
