

Wandong Primary School

We had a big term two at Wandong PS and now we all rest up, spend some time with family and friends and get set for a massive second half of the year

Some recent highlights:

Three Way Conferences: In the last week of the term our students shared their goals and progress with their families at our Three Way Conferences. Our students did a great job- including our 'Fabulous Foundations'- who could explain their goals and how they were going very, very well! A huge thanks goes to our staff for their detailed and individualised student reports. They certainly showed how well our staff know the strengths and areas for future development for our students.

The Art Show: Wow- what an amazing sight it was to behold when you walked into our hall in the last week of the term- Literally from head to toe- was a tremendous collection of our students' great work in Art over the semester. A huge thanks to our Art teacher, Mrs Beer, who does a wonderful job with our students every day in Art. All of your great efforts in setting up the amazing show was certainly well worth it.

Biggest Morning Tea: Our Student Representative Council did a great job hosting the event, our grades did a wonderful job with all of the yummy food and our parents, carers and friends turned out for the event in great numbers. All funds raised will go directly to the Cancer Council.

Some other great term two highlights:

- ANZAC Day ceremony hosted by our terrific school leaders
- Grade 5/6 Excursion to Parliament House
- 3/4 excursions to Quantum
- Wandong PS completing NAPLAN online for the first time.
- District Cross Country- fantastic determination from all students involved!
- Young Leaders' Day @ Wandong PS
- Our new library is looking good!
- Mothers' Day Stall- great work to our wonderful Parents and Friends Association
- Junior Neighbourhood Watch sessions
- NAIDOC Week

I'd like to wish everyone a happy holiday break. Stay safe and I look forward to seeing you all next term!

David Warren
(A/Principal)
