

Wandong Primary School

At last spring has arrived! We have had a very busy and exciting August here at Wandong PS, with some highlights being:

Kirra Gets Gold: Congratulations to Kirra Wright who competed in the Australian School Sport National Cross Country Championships. Kirra received a gold medal for her 1km Time Trial and bronze in the 2km event- a huge effort! It is great to see all of your training and determination paying off Kirra. A well-deserved win!

Bendigo Bank Grant: Some long awaited and exciting news reached us last week, as we were notified that our application for a Bendigo Bank Grant was approved! Our school was lucky enough to be chosen for a community grant of \$5000 to help fund the landscaping needed for our new library. We would like to thank Bendigo Bank for their generous donation and long standing support of our school.

Foundation Story Time Sessions for 2020: Last week we saw some new (and tiny) faces around our school in the morning, as we welcomed our 2020 Foundation students and their families to the first Story Time transition session. This session was run by Mrs Nelson and Ms Pollock and they both had a great time welcoming many new members to our growing Wandong family.

Science Week: What a great time this was! With a whole week of science-based activities- which included lunchtime activities, box-rocket racing, science-themed dress up day and Science Night- much fun was had by all and there was great excitement around the school to do with Science! A huge thanks to our Science teacher Mrs Williamson for organising a great week, our amazing staff for supporting the week and making it fun for all students, and all of the parents and friends who came along to events and got into the spirit of the week

Education Week: Much fun was had on our book-themed 'Education Week afternoon' and we had a great turnout from our community. Our rooms were abuzz with students, parents and friends as the students collected special stamps to go into the draw for some great prizes. Thanks for supporting this afternoon- it was a great success!

Enjoy the warmer weather J

David Warren (Principal)
