

WANDONG PUBLIC HALL

Progress! The storage shed is underway, thanks to Jim Chatz, and committee members Allen Hall and David Moran, the shed is slowly coming to life. After what seemed an interminable battle with GV Water and the Shire we will soon have a place to store all the “stuff” that goes with the hall’s upkeep. Just shows that persistence pays off, but to have to wait almost two years is really a bit over the top, however its underway and it will be a great asset to the hall and make using the hall even easier in the future.

We would love a few more regular groups using the hall, so if you have something that will work well in our space contact us, we are happy to work with locals to ensure they are getting the best use out of their hall.
