

WANDONG PUBLIC HALL

Finally some movement on the hall shed saga. Goulburn Valley Water has met with us and after locating the pipe running east–west beside the hall are looking at options for us. We had to write to the CEO to get this action happening which is disappointing, hopefully now they will move quickly to have the issue resolved.

Council have replaced the faulty air conditioner, the old unit failed and as usual with these things, there is never a good time for it to happen. The new unit is a heavier duty one so should last much longer.
