

WANDONG PUBLIC HALL

The committee recently applied to Mechanics Institute Victoria for a plaque for the hall as part of their ongoing program. We recently received the plaque and it was officially unveiled by Peter Dore Ex RAAC 3 Cav, with our longest serving user group, the craft group, watching on.

The plaque will be in place soon and will add to the work already carried out by the committee to complete the landscaping project.

We would love a few more regular groups using the hall, so if you have something that work well in our space contact us, we are happy to work with locals to ensure they are getting the best use out of their hall.

Our regular user groups are:
