

WANDONG PUBLIC HALL

Finally we have arrived at autumn, my favourite time of the year in Wandong, but if we don't see some rain soon all our efforts to enhance our hall garden may be in vain. The committee are keen to install a watering system, this would reduce the amount of water we use and make better use of the water we do use. At this point in time we do not have sufficient funds to do it but hope-fully we can get it done before next summer.

We would love a few more regular groups using the hall, so if you have something that work well in our space contact us, we are happy to work with locals to ensure they are getting the best use out of their hall.

Our regular user groups are:

The Craft group attend every Monday, it's an informal group, bring along some lunch, and something to do if you feel like it. There is always someone on hand to help with crafty questions in the group and this has been our longest running group.
