

# WANDONG PUBLIC HALL

The hall is still officially closed, as the Covid -19 situation appears to be improving we are hoping that there is light at the end of the tunnel, and we can recommence normal operations soon. As soon as the government restrictions are eased, and the council advises us we can reopen we will be ready to take bookings straight away. This has been a difficult time for everyone and the lack of income for the hall is another problem we must face as the bills are still coming in.

Still onward to better days and thank goodness we are lucky enough to live in Australia as compared to what's been happening overseas, we are in pretty good shape. Keep safe and well and we will advise when normal operation can begin.

Our regular user groups are always keen to have more people come along they are listed below:
