

WANDONG PUBLIC HALL

As part of the Mechanics Institute Victoria plan we installed our plaque, this tells a little of the hall and is a great addition. The storage shed is nearly complete, some wiring and painting will finish the project off, just a matter of sorting out where everything will go. The committee is very pleased to see this project at this stage after such a long haul.

We would love a few more regular groups using the hall, so if you have something that work well in our space contact us, we are happy to work with locals to ensure they are getting the best use out of their hall.

Our regular user groups are:
