

The L.B.Davern Reserve is full of activities for all our community, so please come down and enjoy this great facility. Join the various clubs, just walk through along the Say G-Day trail, take the kids down to play on the play equipment or just play and exercise on the oval.

Junior Football and Netball Clubs are busy organizing their activities ready for the 2025 season. Registrations and preseason has started, watch out for them and please support our Junior Clubs. Wandong Tennis Club is in early planning process of their winter programs, juniors, open and weeknight completions.

The Kilmore Adult Riders Group and Standard Bred Riding group are well into their programs down at the Reserves horse arena area. When their programs are on please be aware that horses are in the area of Reserves entrance to the Stadium, Oval and Tennis club. Please observe the cautions and speed limits in that area.

The Mitchell Agility Dog Club also continues to be busy with their programs and our Recreation area, the Allan Ryan paddock continues to improve.

Copper Theft at the Reserve:

The Reserve has been hit again, this time they have hit the main switchboard to the Reserve and other wiring within the Reserve was effected and wiping out power to the whole of the Reserve.

This has occurred late Saturday 29th March and early Sunday 30th March morning. This left no power to the Preschool, Community centre, Sports Pavilion, Stadium, Tennis lights and Oval lights.

This selfless act affected the Wandong Juniors as they were holding a big day of practice matches on Sunday 30th March. There was no power to run a canteen but everything continued with the supply of generators and a supervisor for fuel to make it a successful day for the juniors.

At this point the power is slowly coming back on with Preschool, Community Centre and Sports Pavilion back but all other areas are still out. Police investigations are still ongoing.
