

Spring has not had a good start, with a cool starts and frosty mornings, spring storms are to rev up later this month throughout Wandong and Heathcote Junction. Please be aware flooding of Dry Creek throughout the Reserve can occur with the unpredictable spring storms, so take care when using the Say G'Day Trail. Also be aware of snakes through the Reserve as we have had several sightings already.

The summer sports are now progressing their programs:

Mitchell Agility Dog Club, Wandong Tennis, Kilmore Cricket-Friday Nights and Saturday, Standardbred Riding Club, Kilmore and District Adult Rider's Club, Wandong Primary- recreational activities, Auskick- AFL Goulburn Murray program, Wandong Netball Club-Training.

What is our community up to down at the Reserve, a lot at present but once the weather becomes warmer more activities will come and the following activities will see the community.

Walking the dogs, kids in the playground, individuals/groups doing their fitness workouts, mums with the kids in the pram, riding bikes, playing kick to kick football, passing shots in netball, shooting hoops at the basketball ring, riding the horses, training dogs to behave, Wandong primary doing their sporting activities on the Oval, Wallan basketball in the Stadium, having a hit of tennis, doing a round of activities at the newly installed exercise pod.

Continued developments at the Reserve will complement our sport groups and community. We are very lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities.
