

The L.B.Davern Reserve is open to all our community, so please come down and enjoy this great facility, join the various clubs, just walk along the Say G-Day trail, take the kids down to play on the play equipment or just play and exercise on the oval.

Winter has arrived with cold and showery conditions, we have been lucky with the unseasonal weather being

dry but be cautious of the trails throughout the reserve as trees can fall due to the wind and be aware the creek can flood at any time. Dry Creek may mean our creek is Dry but it can change.

Don't let the cold and up and coming wet weather stop you from coming down to the Reserve to enjoy on what there is to offer.

It's good to see the Reserve full of life with our community back in supporting their groups and other activities enjoyed by those who participate.

Walking the dogs, kids in the playground, individuals/groups doing their fitness workouts, mums with the kids in the pram, riding bikes, playing football, passing shots in netball, shooting hoops at the basketball ring, riding the horses, training dogs to behave, Wandong Primary doing their sporting activities on the Oval, Wallan basketball in the Stadium

Continued developments at the Reserve will complement our sport groups and community. We are very lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities

Our Community at its Best!
