

The L.B.Davern Reserve is open to all our community, so please come down and enjoy this great facility, join the various clubs, just walk through along the G-Day trail, take the kids down to play on the play equipment or just play and exercise on the oval.

Winter has certainly arrived and with the foggy, wet and soggy conditions be cautious of the wet trails

throughout the reserve. Don't let the cold weather stop you from coming down to the Reserve to enjoy on what there is to offer. Dry Creek has been in flood late June /early July.

It's good to see the Reserve full of life with our community back in supporting their groups and other activities enjoyed by those who participate.

Walking the dogs, kids in the playground, individuals/groups doing their fitness workouts, mums with the kids in the pram, riding bikes, playing football, passing shots in netball, shooting hoops at the basketball ring, riding the horses, training dogs to behave, Wandong Primary doing their sporting activities on the Oval, Wallan basketball in the Stadium

Continued developments at the Reserve will complement our sport groups and community. We are very lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities

If anybody in our community would like to share any photos of History of L.B Davern Reserve for us to share on What's News please send to kooraw@bigpond.com
