

The L.B.Davern Reserve is open to all our community, so please come down and enjoy this great facility, join the various clubs, just walk through along the G-Day trial, take the kids down to play on the play equipment or just play and exercise on the oval . Winter has certainly arrived and with the cold wet conditions be cautious of the wet trails throughout the reserve and be aware the creek can flood at any time. Don't let the cold and wet weather stop you from coming down to the Reserve to enjoy what there is to offer.

It's good to see the Reserve full of life with our community back in supporting their groups and other activities enjoyed by those who participate.

Walking the dogs, kids in the play-ground, individuals/groups doing their fitness workouts, mums with the kids in the pram, riding bikes, playing football-Kick to kick and goal shooting practice, passing shots in netball, shooting

hoops at the basketball ring, riding the horses, training dogs to behave,

Wandong primary doing their sporting activities on the Oval, Wallan basketball in the Stadium.

Continued developments at the Reserve will complement our sport groups and community. We are lucky to have a Reserve that has character and bush ambiance atmosphere that complements our communities.

Projects Announcements and Completion:

Funding Announcement for the Oval Drainage Upgrade 2023:

This successful funding agreement is part of the Country Football Netball Program. State Government will be contributing \$195,000 to the \$260,000 LB Davern Drainage Upgrade project with Council contributing the remaining \$65,000. The project will see the installation of lateral drainage to eliminate the current ponding/flooding of water in key sections of the oval and a reshape of both goal square areas.

This project is a part of continued developments at the Reserve which will complement our sporting groups, our community, Wandong Primary School, Wandong Preschool and other groups outside our community.

Horse Riding Clubs Toilet project:

After 6 years and determination the Toilet at the Horse Riding Clubs arena has been completed. I am sure there will be celebrations from both clubs, the original proposal was started from Brian Jones (Deceased)-a member from the Kilmore and District Adult Riders, active with the Standard Riding Club and L.B.Davern Reserve Committee, who at the time was happy to build a tin shed and a hole.

If anybody in our community would like to share any photos of history of L.B Davern Reserve for us to share in What's News please send to kooraw@bigpond.com
