

Hi from the WHJSC Committee,

The L.B.Davern Reserve is back and open to the community.

So please come down and enjoy the outdoors at this great facility. Just walk through along the G-Day trail, play and exercise on the oval. What a way to be a part of our great community. All our community buildings plus the stadium are open.

All Sporting Groups have all their return to play covid plans approved and are open for their activities to commence for the summer season. Please check in with your Clubs on their schedules and season commencement.

All buildings and Sporting groups have QR Codes to comply with State Government Requirements for Covid -19.

The redevelopment of courts 3 and 4 are on track to be completed in early November:

We are so close.

This redevelopment will include the total replacement of the courts with lights.
