FINALS FEVER

On the 9th of September our 11 & Under team took to the courts to play in the Grand Final. The sun was shining, the face paint was on and the crowd was huge. The team took to the court and began the match at full pace straight off the bat. The first quarter started out pretty evenly with both teams scoring well. At the break we were up 9 to 4. By the time the second quarter began, the nerves had settled, & we broke away, scoring 12 more goals to Pyalongs 1. Q3 was an even match with only 3 goals scored between both sides. Our defenders were ran off their feet madly intercepting pass after pass. The final quarter was all Wandongs way, scoring 10 to 1. The team remains undefeated, winning the final 32 to 8.

Congrats to all the players who went above and beyond this season. You should all be so proud of yourselves. The effort and commitment at training and game day is second to none. Thank you to all the parents. You truly are the best. To Jo & Kate, our Coaching team, to the kids who always manage to have fun and to everyone who took the time to come and watch and support the team, thank you.

A special mention to Tyler who was awarded Best on Court by the Umpires. 🏆

And to our superstar Natalie who won League Best and Fairest Runners Up for the second year in a row!! 🏆

AGM

Our AGM was held on the 13th of October.

After serving as the Club since prior to Covid, Vasko Nastevski has stepped down from his role as President.

Vasko saw the club through the hardest of times and was instrumental in maintaining our Clubs high standards and reputation these past few years. Vasko has been an asset to all things Wandong Netball Club and maintained his position despite having no children playing at the club due to injury for the past 2 seasons. On behalf of everyone at the Club we would like to extend our gratitude and wish you all the success for the future. Our new committee will be announced soon.

PRESENTATIONS

The courts were dressed to impress with splashes of Green and White everywhere.

With 52 families in attendance, we packed the courts ready to celebrate the players of season 2023.

Unfortunately, the weather Gods had other plans and we barely managed to fit in our trophy awards before the rain came down. All was not lost, as the Club banded together to move indoors and continue on with pizza and music. Congratulations to all players who took the courts in the Winter season.

A special mention to Georgia Paxinos and Aleyha Johnson who have played their last junior game with the Club. We wish you both all the success as you take on Senior Netball.

Spring Netball

The Spring season commenced once the school term began. We are please to announce that we have entered 5 full teams in the competition. All the players are enjoying continuing to build their skill sets over the course of the season in the lead up to Christmas.
