

RE-OPENING OF THE WANDONG PUBLIC HALL

Following two years of renovations, the Wandong Hall has been re-opened for bookings.

The official re-opening was held on Sunday 22nd April 2012 and included a street fete and entertainment.

"We hope you made it to the opening of the Wandong Public Hall. The building looks fantastic and the new areas have blended in very well with the original. The designers did a great job melding the new with the old. There were a lot who attended on the day and it was a pleasure to officially open the hall along with Cindy McLeish MP, Member for Seymour. as the State Government through the Bushfire funding donated a large amount to this project. Others who donated included the Bendigo Bank Enterprise Fund and our own Community Bank in Wallan. Council was another contributor and project overseer. All should be congratulated on a wonderful outcome even if we did have to wait nearly three years for it to be up and running again but the results are worth it. Congratulations to all the Hall Committee for the untold hours they put in to ensure everything ran well especially Christine Gordon.

MAYOR SUE MARSTAELLER"

"The Wandong Public Hall Committee wish to thank the dignitaries, stall holders, community and sports groups, Wandong Primary School, Wandong District Community Church, Face Painter, Vintage car owners, Jumping Castle proprietor, Mitchell Shire Band Quartet, Steve Varga and his muso's and our resident photographer Trevor Thomas for giving of their valuable time to the Hall Open Day and to Hortwide Services for their donation of plants to re-establish the gardens around the Hall. In particular we wish to thank all those who came along to the Hall for a "Look See" and to take part in the activities and make the day such a success. Thank you.

CHRISTINE GORDON (SECRETARY)"
